

Roofer

THE COMPANY

Oceanside Services has been established since 1998 and specialises in all aspects of plumbing, gas fitting, roofing, and electrical repairs and replacements. With a team of over 50 staff that includes skilled technicians within their field who strive to succeed and be the best in their industry, supported by a great team of administrators and managers.

WHAT WE DO

We service and maintain plumbing, roofing, and gas systems to a range of domestic and commercial clients. We also specialise in emergency repair work in the Gold Coast and Brisbane region.

THE POSITION

The position is for a qualified and experienced tradesperson to work on a variety of roofing jobs including replacement and repair works. Our clients include insurance builders, body corporates, real estates, commercial and private customers. The role will also include roof assessments and leak reports.

SKILLS & EXPERIENCE

We are looking for a qualified and experienced roofing tradesperson.

The successful applicant must:

- Hold a Current open Drivers Licence
- Must have own hand tools
- Must have a working at heights certificate or willing to do the course once hired
- Have a high level of roofing knowledge, also plumbing and/or gas fitting experience would be an advantage
- High regard for safety awareness
- Well presented with excellent customer service skills
- Forward thinker and problem solver
- Have a pleasant and professional attitude
- Able to work unassisted and as part of a team
- Be dedicated to Safe Work Practices
- Current Blue card

- Recent Police check

WHAT WE OFFER

- Good remuneration - above award pay and package is negotiable in accordance with level of experience, qualification, and ability
- Excellent growth and advancement opportunities
- Take home vehicle, uniform and phone supplied
- Immediate start for the right person
- Long term permanent position
- Extensive support with a great team culture
- Training and professional development opportunities
